

# WHAT NEEDS ORGANIZING?

1. List down your main area to clean or organize.  
For e.g kitchen

2. Break down the tasks that needs to be done for that area

A large hexagonal grid of dotted lines, intended for writing notes. The grid is composed of several interconnected hexagonal cells. Two curved arrows are drawn on the grid: one starts at the top right and points towards the first instruction, and another starts at the right side and points towards the second instruction.
