

GOD GIVES US GOOD THINGS

God is so good that even while we are sinners, He still saved us. He loves us so much He sent His own son to die for us so that we can have eternal life.

After He died for us on the cross and saved us, He helps us to point our lives toward Him. To be good people, to worship and praise Him, and to be used for His kingdom.

What are 3 ways He can use you today and what are 5 things you are most thankful for that He has given you?
