

The background of the entire image is a repeating pattern of stylized sunbursts or starbursts. Each sunburst is composed of numerous triangular rays radiating from a central black dot. The rays are colored in three distinct shades: bright magenta, a dusty rose, and a warm terracotta. These sunbursts are arranged in a staggered grid across the black background. In the center of the image is a white rectangular box with a thick magenta border. Inside this box, the word "ART" is written in a large, bold, black, sans-serif font. The letters have a slight 3D effect, with thin black outlines and small gaps between the letters, making them look like they are floating or slightly offset from each other.

ART

BIOLOGY

The background of the entire image is a dark navy blue, covered with a repeating pattern of stylized sunbursts. Each sunburst consists of numerous triangular rays radiating from a central black dot. The rays are colored in a gradient: the top section features dark purple rays, the middle section features medium purple rays, and the bottom section features light purple and white rays. A white rectangular box with a thin dark border is positioned in the upper half of the image, containing the word 'COMPUTER' in a bold, black, stylized font with a white outline and a slight 3D effect.

COMPUTER

DRAMA

The background of the entire page is a repeating pattern of stylized sunbursts or starbursts. Each sunburst consists of numerous thin, triangular rays radiating from a central black dot. The colors of the sunbursts transition from dark green at the top, through light green and teal, to various shades of blue towards the bottom. A white rectangular box with a light blue border is centered in the upper half of the image.

HEALTH

The word "HISTORY" is rendered in a bold, black, sans-serif font. A small, stylized figure of a person with a circular head and a single leg is perched on the top of the letter 'i'. The entire word is contained within a white rectangular box with a thick purple border. The background of the entire image is black, decorated with a repeating pattern of stylized sunburst or starburst shapes. These shapes are composed of multiple triangular rays radiating from a central point. The colors of the sunbursts transition from yellow and orange at the top to pink and purple in the middle, and finally to light blue and teal at the bottom.

HISTORY

MATH

The background of the entire image is a repeating pattern of stylized sunbursts or starbursts. Each sunburst consists of numerous thin, triangular rays radiating from a central black dot. The colors of the rays transition from dark blue at the top, through light blue and teal, to various shades of green towards the bottom. The sunbursts are arranged in a grid-like fashion, with some overlapping.

MUSIC

SCIENCE

The background of the entire image is a repeating pattern of stylized sunbursts or starbursts. Each sunburst consists of numerous thin, triangular rays radiating from a central black dot. The rays are colored in a gradient: the top section (above the title box) features rays in shades of purple and dark blue, while the bottom section features rays in shades of light blue and cyan. The central area is a solid black rectangle.
