

Note to Sarah Titus

Sunday, 30 April 2023

Dear Sarah Titus,

I am writing you as a formal step to address my concern of your previous and most recent blog posts. This past Thursday, April 27th, 2023, it was brought to my attention that you published a blog post entitled "An Open Letter to the People of HBC".

As of today, Sunday, April 30th, 2023, **I would like you to either immediately or on/before Friday, May 5th, 2023, remove all blog posts referencing me from your blog** (sarahtitus.com/blog/), listed but not necessarily restricted to as follows:

"An Open Letter to the People of HBC"
"Have You Been Falsely Accused? Here's Why!"
"What Do David, Abraham, and Noah All Have in Common?"
"I...AM... .ENGAGED!!!"
"Why You Should Passively Wait for God's Love"
"God's Love For Us Never Grows Weary"
"When You Lose Absolutely Everything"

AND refrain from any further publishing of any content related to me or my family. The reasons for this request include, but are not limited to, the following:

- **You have reported serious accusations against me that are false**, including but not limited to:
 - Me inflicting torture on you
 - The fact my "life is hiding something big"
 - That I have "been trying to have sex with other women"
 - That ('he' being Kyle) "he attacks, so I am forced, by abuse, to stay"
- **You have falsely reported actions of my twin brother, Ryan**, including but not limited to:
 - That "Ryan was there on moving day and he was flirting with me [Sarah Titus] just as Kyle was."
 - That "Ryan watches Kyle torture me, but does nothing about it."
- **You have made upsetting predictions about my impending death by God's hand**, seen in the following quote:
 - "Got originally ordained for me and Kyle to be together but in all this gross sin, God's intention is to take Kyle's life now due to his sin."
- **Emotional disruption** to members of my family

Your false reports about our secret marriage and romance, false reports about my moral failures and mistreatment of you, and the false report about my brother Ryan are serious and upsetting, defame my and his reputation, and could jeopardize or unnecessarily disrupt our careers by these false accusations due to the public nature of your blog posts (as posted on 'sarahtitus.com/blog/' and discussed on Reddit).

If you decline to remove the requested content from your site, I may be compelled to take further action to remove this troubling content, including asking Google to remove certain posts or links from their search engine.

Solemnly,

Kyle Asdell
