

The background of the entire image is white, decorated with several large, hand-painted style swirls in shades of pink and teal. Interspersed among these swirls are numerous small, solid-colored circles in pink, yellow, and teal, resembling confetti or sprinkles. Some of the swirls are partially cut off by the edges of the frame. The word "OCTOBER" is centered horizontally and vertically in a large, bold, white font with a thick teal outline. Each letter of the word has a small teal heart shape cut out of its upper portion.

OCTOBER
